

**SAFE OPERATING
PROCEDURE**

Hydro-slide

- 2 Activity Supervisors over 16 years old, per 30 participants.
- One adult must be supervising launching deck, and one supervising the landing pool, at all times.
- Supervisor at landing pool must hold rescue pole.
- Life jackets available for non-confident swimmers.
- One or two person/s at a time on slide per mat, at groups discretion, depending on height and weight of participants
- Sliders must slide on a mat and go feet first.
- Next slider to start only when all participants are out of the landing pool and it is clear
- Back person to have hands on front person's shoulders
- Caution: Pool is 1.2m deep – non-confident swimmers must wear a life jacket if under this height
- Participants to not jump from the slide into the pool
- Do not use detergent on the slide
- Return mats to the box
- Water pressure must be monitored by supervisor at take off end, if water pressure drops activity must be halted, water turned off, and CYC staff notified
- Expectant mothers or participants with injured backs should not use slide
- Wear a hat and sunscreen

All damage and injuries must be reported to CYC Staff as soon as practicable

Failure to follow these instructions could result in injury.

CYC reserve the right to close this activity if these instructions are not followed.

To contact CYC Staff go to office.
